**REVENUE MEMORANDUM ORDER NO. 22-2016**

**SUBJECT:** Prescribing the Policies and Procedures for the Issuance of  
Electronic Certificate Authorizing Registration (eCAR)

**TO:** All Internal Revenue Officers and Others Concerned

---

**I. BACKGROUND**

Currently, the Certificate Authorizing Registration (CAR) is manually prepared and issued, with details simply typewritten on a pre-printed, serially numbered CAR form. Due to instances in the past where spurious CARs had been presented to the Registry of Deeds, BIR developed the Electronic Certificate Authorizing Registration (eCAR) System.

The eCAR System is a web-based facility that automates the processing and generation of CAR with bar code and is linked with the Land Registration Authority (LRA) thru the LRA – BIR eCAR Verification System (LRA-BIR CVS) wherein the LRA-Registry of Deeds will be able to verify on-line the authenticity of the eCAR presented in support of the transfer.

**II. OBJECTIVES**

1. To provide policies and guidelines for the issuance of eCAR;
2. To enumerate procedures on the turnover of CAR forms, requisitioning of eCAR forms and issuance of eCAR; and
3. To replace the utilization of CAR forms with eCAR forms.

**III. POLICIES and GUIDELINES**

1. Effective June 1, 2016 the issuance of manually prepared CARs as well as the generation and issuance of a Tax Clearance (TCL2) in the Integrated Tax System (ITS) shall be stopped.

Consequently, the use of BIR Form No. 2313 Certificate Authorizing Registration (CAR) (Revised April 2009) shall be discontinued and all unused CARs which are still in the possession of the Chief, Administrative & Human Resource Management Division (AHRMD) and Revenue District Officers (RDOs)/Large Taxpayers (LT) Division Chief shall be surrendered and duly accounted for to the Chief, Accountable Forms Division (AFD).

2. The facilities of the eCAR System thru the BIR website as well as the generation and printing of the same shall be used in the processing, review and approval of requests for issuance/re-issuance of eCAR.
3. The eCAR shall be printed on a security paper, an accountable form with security features and bar code.
4. All manually issued CARs that are outstanding and not yet presented to the Registry of Deeds are no longer valid. Instead, the concerned RDO/ LT Division Chief shall replace this CAR with an eCAR and cancel the previously issued CAR.
5. Likewise, other manually issued expired CARs that are due for revalidation shall be replaced by eCARs by the concerned RDOs/ LT Division Chiefs and thereby cancel the previously issued CAR.
6. eCARs shall have a validity of one (1) year reckoned from the date of issuance for purposes of presenting the same to the Registry of Deeds. Otherwise, the eCAR shall be deemed permanently expired and therefore of no force and effect. The RDOs/ LT Division Chiefs shall issue a new eCAR to the taxpayer in case the latter fails to present the eCAR to the Registry of Deeds within the one (1) year validity period. In case of lost eCAR within the validity period, the RDOs/ LT Division Chiefs shall not issue a new eCAR but instead reprint the same eCAR and issue to the requesting taxpayer. On both cases, a certification fee prescribed under Executive Order No. 197 in the amount of One Hundred Pesos (P100.00) shall be charged to the taxpayer/authorized representative for each released eCAR issued/reprinted, after affixture of P15.00 Documentary Stamp Tax on Certificates (Sec. 188 of the NIRC of 1997). The requirements for the replacement/reissuance/reprinting of eCAR are enumerated in Section IV D. b of this issuance.
7. For transfers of titled real properties, the Revenue District Officer shall issue one (1) eCAR per property covered by OCT/TCT/CCT and for transfers of untitled real properties one (1) eCAR shall be issued for each Tax Declaration, including the improvements thereon. However, for transfers of personal properties, a separate (single) eCAR shall be issued for all personal properties per transfer document (e.g., Deed of Sale, Deed of Donation, etc.).
8. For transfer of personal properties e.g. Cash in Bank, wherein the taxpayer requests for issuance of separate eCAR for each bank account, the RDO shall issue instead a certified true copy of the eCAR for presentation to the concerned bank. A certification fee and documentary stamp tax as mentioned in No. 6 hereof shall be required from the requesting taxpayer for each certified eCAR.
9. The eCARs issued by the RDO other than the district office where the property is located shall no longer be authenticated/countersigned by the RDO/Head, ONETT Team having physical jurisdiction over the property/ies. The Register of Deeds shall validate the eCAR details on the LRA-BIR CAR Verification System (LRA-BIR CVS) to authenticate the eCAR copy of the taxpayer.

10. The RDO/LT Division shall continue to maintain the official CAR Registry Book, Annex H of Revenue Memorandum Order No. 15-2003.
11. The submission of “Monthly Report on CARs Prepared/Issued and Collections/Assessments from Real Property Transactions (Annex A10)” to Assessment Service as prescribed in Revenue Memorandum Order (RMO) No. 29-2011 shall be discontinued.
